DEPARTMENT OF REVENUE TEMPORARILY RESTRAINED

Federal District Judge Dale Saffels issued an order October 5, 1995, temporarily restraining the Kansas Department of Revenue from collecting tax from distributors who sell motor fuel to the Iowa, Kickapoo and Sac & Fox Native American tribes. The department is abiding by the judge's order.

Distributors who sold fuel to these tribes between September 6, 1995, and October 4, 1995, should remit the appropriate tax with their distributors' tax return.

Motor fuel distributors who sell fuel to these tribes on or after October 5, 1995, should report the deliveries on the motor fuel tax disbursement schedule (52-b).

Distributors who sell fuel to the Iowa, Kickapoo and Sac & Fox Native American tribes may wish to obtain independent legal advice on this complex legal matter.
