NOTICE 13-16

2013 Motor Fuel Legislative Update

The following Bills were enacted by the 2013 Legislature:

Senate Bill 83

This bill was effective April 25, 2013, upon publication in the Kansas Register. The effective date referenced in the section below is July 1, 2013. A summary of the bill is as follows:

Section 1(a) Increases the installment payment plan agreement fee to \$25. (b) Adds a service fee of \$50 for a request of full or partial abatement of tax liability. (c) Allows a service fee of \$22 to be withheld when remitting funds to the IRS in response to a levy on those funds.

Senate Bill 171

This bill was effective June 20, 2013, upon publication in the Kansas Register. A summary of the bill is as follows:

Section 277 is regarding the Kansas Qualified Biodiesel Fuel Producer Incentive. The incentive funding for FY14, beginning July 1, 2013, indicates quarterly deposits of \$50,000 from the State Highway Fund. The incentive is not funded for FY15. Funding resumes July 1, 2015 (FY16) with quarterly deposits of \$875,000, based on funds available in the State Highway Fund. K.S.A. 79-34,156.

Section 278 indicates the Kansas Retail Dealer Incentive for renewable fuels and biodiesel remains unfunded through June 30, 2016. Therefore, no such incentive is provided through that date. K.S.A. 79-34,171.

Senate Bill 2305

This bill is effective July 1, 2013, upon publication in the statute book. The bill relates to the Kansas Storage Tank Act

for secondary containment of underground storage tanks. K.S.A. 65-34,102 and 65-34,103.
