## ABC INDUSTRY NOTICE – Electronic Data Interchange (EDI) Map Changes

Dear Kansas Distributor:

Due to changes in the 2012 legislative session, the current EDI map must be revised to allow distributors to report their purchases and sales accurately. These map changes are required and must be completed for the September 2012 report period, which is due by October 15, 2012.

It has also become necessary to update the EDI Trading Partner Agreement and the EDI Trading Partner Profile that is on file with the Department to ensure we have accurate contact and software vendor information. Please print, complete and return these documents via email to [carole.sadler@kdor.ks.gov](mailto:carole.sadler@kdor.ks.gov) or mail to the address on the form.

Should you or your software vendor need any assistance, please contact Carole Sadler, EDI Coordinator at 785-291-3660. For other issues requiring assistance, you may contact Debbi Beavers at 785-296-3139.

Thank you in advance for your compliance with this notice.
