Sam Brownback, Governor

From: David Harper, Director
Date: January 1, 2017
Subject: **2017 Gas Market Adjustment Factor (MAF)**

The Market Adjustment Factor to be used for the 2017 Tax Year is

MAF = 1.20

The factor reflects a 20% upward adjustment for market conditions anticipated over the course of the current tax year.

The MAF is to be multiplied by the prior year's net weighted average price per lease on Line 2, Section V of the Gas Assessment Rendition.
