**DIRECTIVE #92-001**

**TO: All County Officials and Division of Property Valuation Staff**

**SUBJECT: Rescission of Directives**

---

The Director of Property Valuation is authorized to adopt rules and regulations or appraiser directives prescribing standards for ad valorem taxation in this state (L. 1992, ch. 249, § 1).

Effective immediately, all prior directives, memoranda, and written or oral instructions issued by any Director of Property Valuation on appraisal processes are rescinded, except for directives issued pursuant to a PVD audit since January 1, 1991. On this date, I am issuing a series of directives that will be in force and effect until rescinded. A master list of current directives will be maintained as official records of the Division of Property Valuation. The Division will annually promulgate a list of current directives, noting additions and rescissions.

Approved: November 3, 1992
