BALD EAGLE — Our national symbol has made a remarkable comeback thanks to programs such as the Endangered Species Act and Chickadee Checkoff. Once down to only about 400 nesting pairs, our patriotic eagle has rebounded to nearly 10,000 breeding pairs thus allowing for its removal from the endangered and threatened species list in 2007. Please remember your contribution to the Chickadee Checkoff on your Kansas Form K-40.

Think filing on paper
is the way to go?

THINK AGAIN!

Your refund will be delayed if
you file a paper return.

Did you know that a paper return can cost significantly more to process than a return filed electronically ?

Did you know that processing a refund on a paper return this year will take at least 8 weeks, compared to a refund on an electronically filed return that will get to you as quickly as 7 days?

The Kansas Department of Revenue must find ways to reduce processing costs in order to hold down taxes. We need your help. If you want your return processed in a secure, accurate and economical way and you want your refund fast, then file electronically this year. As a Kansas taxpayer, it saves **you** money and you get your refund faster!

GENERAL INFORMATION

Who Must File a Return

You must file a Kansas individual income tax return to receive any refund of taxes withheld, regardless of the amount of total income, or to receive the food sales tax refund.

KANSAS RESIDENTS

A Kansas resident for income tax purposes is anyone who lives in Kansas, regardless of where they are employed. An individual who is away from Kansas for a period of time and has intentions of returning to Kansas is a resident.

If you were a Kansas resident for the entire year, you must file a Kansas individual income tax return if: 1) you are required to file a federal income tax return; **or**, 2) your Kansas adjusted gross income is more than the total of your Kansas standard deduction and exemption allowance.

The minimum filing requirements are shown in the following table. If you are not required to file a federal return, you may use this table to determine if you are required to file a Kansas return. For example, if your filing status is single, and you are over 65, you need not file a Kansas return unless your gross income is over \$6,100. A married couple filing jointly would not be required to file a Kansas return unless their gross income is over \$10,500.

A Kansas resident must file if he or she is:		And gross income is at least:
SINGLE <i>OR</i> MARRIED FILING SEPARATE	Under 65	\$ 5,250
	65 or older or blind	\$ 6,100
	65 or older and blind	\$ 6,950
MARRIED FILING JOINT	Under 65 (both spouses)	\$ 10,500
	65 or older or blind (one spouse)	\$ 11,200
	65 or older or blind (both spouses)	\$ 11,900
	65 or older and blind (one spouse)	\$ 11,900
	65 or older or blind (one spouse) and 65 or older and blind (other spouse)	\$ 12,600
65 or older and blind (both spouses)	\$ 13,300	
HEAD OF HOUSEHOLD	Under 65	\$ 9,000
	65 or older or blind	\$ 9,850
	65 or older and blind	\$ 10,700

MINOR DEPENDENTS

A minor child claimed on another person's return can claim a standard deduction of \$500 or the amount of their earned income (wages) up to \$3,000, whichever is greater. Unearned income (such as interest and dividends) over \$500 is taxable to Kansas and a Kansas return must be filed. If the taxable income (line 7, Form K-40) is zero, a return is not required. However, you must file a Kansas individual income tax return to receive any refund of taxes withheld, regardless of the amount of total income.

NONRESIDENTS

If you are not a resident of Kansas, but you received income from Kansas sources, you must file a Kansas return regardless of the amount of income received from Kansas sources (see definition of Kansas source income on page 24).

If your employer withheld Kansas taxes from your wages in error, you must also file a Kansas return in order to receive a refund, even though you had no income from Kansas sources. A letter from your employer on company letterhead and signed by an authorized company official explaining the error must accompany your return. The letter must state the amount of wages and withholding applicable to Kansas.

PART-YEAR RESIDENTS

You are considered a part-year resident of Kansas if you were a Kansas resident for less than 12 months during the tax year. As a part-year resident, you have the option to file your Kansas return either as a resident or as a nonresident.

MILITARY PERSONNEL

The active and reserve duty service pay of military personnel is taxable **ONLY** to your state of legal residency, no matter where you are stationed during the tax year. If your home of record on your military records is Kansas, and you have not established residency in another state, you are still a Kansas resident and all of your income, including your military compensation, is subject to Kansas income tax.

If you are a nonresident of Kansas but are stationed in Kansas due to military orders, you must file a Kansas return if you (or your spouse if filing jointly) received income from Kansas sources. Only income from Kansas sources is used to determine the Kansas income tax due for *nonresident* military service members. Nonresident service members will subtract out the amount of their military compensation on Schedule S, line A13 (see instructions on page 23).

NATIVE AMERICAN INDIANS

Income received by native American Indians that is exempt from federal income tax is also exempt from Kansas income tax. Income earned on a reservation, by a native American Indian residing on his/her tribal reservation, is also exempt from Kansas income tax. If any such income is included in the federal adjusted gross income, it is subtracted on Schedule S, line A17. (See instructions on page 23.)

Kansas law provides that if a husband or wife is a resident of Kansas while the other is a nonresident of Kansas, and file a Married Filing Joint federal return, they must file a Married Filing Joint Kansas return and file as "nonresidents" of the state of Kansas.

When to File

You can "file now" and "pay later" using our Direct Payment option. See page 19.

If your 2007 return is based on a calendar year, it must be filed and the tax paid no later than **April 15, 2008**. If your return is based on a fiscal year, your Kansas return is due the 15th day of the 4th month following the end of your fiscal year. The instructions in this booklet assume a calendar year taxpayer. NOTE: Your refund may be disallowed if your return is not filed within two (2) years of the "original" due date and penalty and interest will accrue on balance due returns filed after the original due date.

AMENDED RETURNS: In general, amended returns must be filed with the Department of Revenue within three (3) years of when the original return was filed. If the amended return will result in a refund to you, the amended return may be filed within three (3) years of when the original return was filed, or within two (2) years from the date the tax was paid, whichever is later.

Where to File

Please use the pre-addressed envelope in this tax booklet to mail your tax return. This envelope is designed for use in our automated mail-opening equipment and will expedite the processing of your return. If you are expecting a refund, place an "X" in the box on the front of the envelope. If your envelope has been misplaced, mail your return to the following address:

INDIVIDUAL INCOME TAX/FOOD SALES TAX
KANSAS DEPARTMENT OF REVENUE
915 SW HARRISON ST
TOPEKA, KS 66699-1000

If You Need Forms

Due to the sensitivity of KDOR's imaging equipment for tax return processing, only an **original** preprinted form or an **approved** computer-generated version of the K-40, Schedule S, and K-40V should be filed.

Kansas income tax forms are available throughout the state at city and county clerk's offices, banks, libraries, and other places of convenience. Specialized schedules and forms are available from our Taxpayer Assistance Center, or by calling our voice mail forms request line at (785) 296-4937 and from our web site at www.ksrevenue.org.

Extension of Time to File

An extension of time to file is NOT an extension of time to pay the tax.

If you are unable to complete your Kansas return by the filing deadline, you may request an extension of time to file. If you filed Form 4868 with the Internal Revenue Service for an automatic extension to file, enclose a copy of this form with your completed Form K-40 to automatically receive an extension to file your Kansas return. Kansas does not have a separate extension request form. If you are entitled to a refund, an extension is not required.

To pay the tax balance due for an extension, use the Kansas Payment Voucher (K-40V) located in this book. Check the box on the K-40V indicating extension payment. If you do not pay the tax due (may be estimated) by the original due date, you will owe interest and penalty on any balance due.

Your Federal Return

If you file Form K-40 using a Kansas address, you do not need to include a copy of your federal return. However, keep a copy as it may be requested by the Department of Revenue at a later date. If your Form K-40 shows an address other than Kansas, you must enclose a copy of your federal return (1040EZ, 1040A or 1040 and applicable Schedules A-F) with your Kansas return.

Confidential Information

Income tax information disclosed to the Kansas Department of Revenue, either on returns or through department investigation, is held in strict confidence by law. The Department of Revenue, Internal Revenue Service, and several other states have an agreement under which some income tax information is exchanged. This is to verify the accuracy and consistency of information reported on federal and Kansas income tax returns.

Innocent Spouse Relief

In those cases where husband and wife file as married filing joint for Kansas, and one spouse is relieved of federal liability by the IRS under 26 USC 6013(e) or 6015, he or she is also relieved of Kansas tax, penalty and interest. Innocent spouse relief is also provided in Kansas cases where such relief would have been provided on the federal level had there been a federal liability.

Estimated Tax

If two-thirds of your income is from farming or fishing, you are not required to make estimated tax payments – but your return must be filed and your tax paid on or before March 1, 2008.

If you have self-employment income or other income not subject to Kansas withholding, you may be required to prepay your Kansas income tax through estimated tax payments. Estimated tax payments are required if your:

- Kansas income tax balance due (after withholding and prepaid credits) is \$500 or more; AND
- withholding and prepaid credits for the current tax year are less than:
 - 1) 90% of the tax on your current year's return, OR
 - 2) 100% of the tax on your prior year's return.

To make estimated tax payments, obtain Form K-40ES, the Kansas estimated tax vouchers and instructions.

Underpayment Penalty: If line 29 minus line 18 of Form K-40 is at least \$500 and is more than 10% of the tax on line 17 of Form K-40, you may be subject to a penalty for underpayment of estimated tax. Use Schedule K-210, in this booklet, to see if you will have a penalty or if you qualify for one of the exceptions to the penalty.

Amending Your Return

If you filed a Schedule S with your original return, then you must file a Schedule S with your amended return, even if there are no amended changes to the Schedule.

You must file an amended Kansas return when: 1) an error was made on your Kansas return, 2) there is a change (error or adjustment) on another state's return, 3) there is a change (error or adjustment) on your federal return. **Check the AMENDED box in the Filing Information section of the K-40 if you are amending your 2007 Kansas return.**

Pay the full amount of tax and interest due on an amended return and no late pay penalty will be assessed. Refer to the department's web site for annual interest rates.

AMENDED FEDERAL RETURN: If you are filing an amended federal income tax return, Form 1040X, for the same taxable year as this amended return, you must enclose a complete copy of the amended federal return and full explanations of all changes made on your amended Kansas return. If your amended federal return is adjusted or disallowed, it is necessary to provide the Department of Revenue with a copy of the adjustment or denial letter.

If you did not file a Kansas return when you filed your original federal return, and the federal return has since been amended or adjusted, use the information on the amended or adjusted federal return to complete your original Kansas return. A copy of both the original and amended federal returns should be enclosed with the Kansas return along with an explanation of the changes.

FEDERAL AUDIT: If you know that a previously filed federal return was not correct, or if your original return was adjusted by the Internal Revenue Service, amended returns or copies of the Revenue Agent's Reports must be submitted within 180 days of the date the federal adjustments are paid, agreed to, or become final, whichever is earlier. Failure to properly notify the Director of Taxation within the 180 day period will cause the statute of limitations to remain open (Department of Revenue could make assessments for as many years back as necessary).

Deceased Taxpayers

If you are the survivor or representative of a deceased taxpayer, you must file a return for the taxpayer who died during the calendar year.

If you are a surviving spouse filing a joint federal income tax return, a joint Kansas return must also be filed. Include the decedent's Social Security number in the space provided in the heading of the return. Be sure the appropriate box below the heading has been checked.

Decedent Refund Documentation

If you are a surviving spouse requesting a refund of \$100 or less, you must enclose **ONE** of the following with your Form K-40:

- Federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer
- Death certificate
- Obituary statement
- Funeral home notice
- Letters Testamentary
- Kansas Form RF-9, Decedent Refund Claim (a copy of this form can be found in this tax booklet)

If you are a surviving spouse requesting a refund of **OVER \$100**, or if a refund of **ANY** amount is being requested by someone other than the surviving spouse, you must submit with your Form K-40:

- Proof of death (death certificate, obituary statement or funeral home notice), **AND**
- Kansas Form RF-9, Decedent Refund Claim (a copy of this form can be found in this tax booklet)

Food Sales Tax Refund

*If you filed a Kansas income tax return last year, you can use "WebFile" to claim your food sales tax refund and get it **fast!** See page 3.*

Form K-40 is not only a Kansas income tax return, but also the claim form for the food sales tax refund. This program offers a refund of the sales tax paid on food. To qualify, you must be 55 years of age or older, or be blind or disabled, or have a dependent child under 18 who lived with you all year whom you claim as a personal exemption. You must also be a Kansas resident (residing in Kansas the entire year) whose Kansas qualifying income is \$29,700 or less (see page 14). The refund is claimed on line 25 of Form K-40. The food sales tax refund will either increase the amount of your income tax refund or decrease the amount you owe.

All returns requesting a food sales tax refund **MUST BE RECEIVED** by the department **NOT LATER THAN** April 15th or within the federal extension period. Failure to file for a food sales tax refund before October 15th will result in a denial of the refund. The Director of Taxation may extend the time for filing any claim when good cause exists, or accept a claim filed after the deadline for filing in the case of sickness, absence or disability of the claimant if such claim has been filed within four years of such deadline.

Homestead Refund Program

This program offers a property tax rebate of up to \$700 for homeowners and renters. To qualify, the claimant must be a Kansas resident (residing in Kansas the entire year) whose 2007 household income was \$29,100 or less, and who is over 55 years old, or is blind or disabled, or has a dependent child under 18 who lived with them all year. "Household income" is generally the total of all taxable and nontaxable income received by all household members.

This rebate is claimed on Kansas Form K-40H, Kansas Homestead Refund Claim. This form and instructions are available from our Taxpayer Assistance Center, your county clerk's office, and other places of convenience throughout the state, or by calling our voice mail forms request line: (785) 296-4937.

LINE 2 — MODIFICATIONS TO FEDERAL ADJUSTED GROSS INCOME

Many taxpayers will not have any modifications. If you do not have any modifications, skip line 2 and enter the amount from line 1 on line 3.

However, if you have income that is taxable at the federal level but not taxable to Kansas, or have income that is exempt from federal taxation but taxable to Kansas, you must complete Part A of Schedule S. Review the instructions beginning on page 21 to determine if you have any modifications to your federal adjusted gross income.

LINE 3 — KANSAS ADJUSTED GROSS INCOME

If line 2 is a positive amount, add lines 1 and 2 and enter the total on line 3. If line 2 is a negative amount (be sure to shade the minus (-) in the box to the left of the amount), subtract line 2 from line 1 and enter the result on line 3.

NOTE: If the amount on line 3 is \$29,700 or less, you may qualify for the food sales tax refund. Review the qualifications on page 14 and the qualifying income worksheet on page 4.

DEDUCTIONS

LINE 4 — STANDARD OR ITEMIZED DEDUCTIONS

If you did not itemize your deductions on your federal return, you must take the standard deduction on your Kansas return. If you itemized your deductions on your federal return, you may either itemize on your Kansas return (by completing Itemized Deduction Worksheets I or II) or take the Kansas standard deduction, whichever is to your advantage.

If you are married and file separate returns, you and your spouse must use the same method of claiming deductions. If one of you itemize your deductions, then the other must also itemize.

KANSAS STANDARD DEDUCTION

Enter your Kansas standard deduction from the applicable chart or worksheet that follows.

If you can be claimed as a dependent by another taxpayer and line 1 of Form K-40 includes income other than earned income, you must use the "Standard Deduction for Dependents" worksheet.

If you deduct **income** taxes on your federal return, use one of the two worksheets below to calculate your Kansas itemized deductions.

CREDITS

LINE 13 — CREDIT FOR TAXES PAID TO OTHER STATES

If you paid income tax to another state, you may be eligible for a credit against your Kansas tax liability. If you had income from a state that has no state income tax, make no entry on line 13 and go to line 14.

To receive a credit for taxes paid to another state, you must enclose a copy of the other state(s) tax return and supporting schedules with Form K-40. Copies of the other state's W-2 forms are NOT acceptable. If claiming a foreign tax credit, and you were required to complete federal Form 1116, enclose a copy with your Kansas return.

Foreign Tax Credit: As used in this section, "state" means any state of the United States, District of Columbia, Puerto Rico, any territory or possession of the United States and any foreign country or political subdivision of a foreign country. The Kansas credit for foreign taxes is first limited to the difference between the actual tax paid to the foreign country and the foreign tax credit allowed on your federal return.

If you claimed the foreign tax paid as an itemized deduction on your federal return, no credit is allowed in this section.

- Your total income on line 1 includes income earned in the other state(s); AND
- You were required to pay income tax to the other state(s) on that income.

IMPORTANT: Your credit is NOT the amount of tax withheld in the other state(s), it is determined from the following "Worksheet for Residents." Complete the tax return(s) for the other state(s) before using this worksheet.

If you paid taxes to more than one state, complete a worksheet for each state, combine the results, and enter the total on line 13, Form K-40.

The Department of Revenue does not require that you enclose copies of W-2s or 1099s with Form K-40, but reserves the right to request them at a later date. You must, however, enclose any K-19 forms with your Form K-40.

Extension of Time to File Your Return: Interest is due on any delinquent tax balance, even if you have been granted an extension of time to file the return. If **90%** of your tax liability is paid on or before the *original* due date of your return, an automatic extension is applied and no penalty is assessed.

LINE 30 — INTEREST

Compute interest at **0.75% for each month** (or fraction thereof) from the *original* due date of the return on the amount on line 29.

LINE 31 — PENALTY

Compute penalty at **1% per month** (or fraction thereof) from the *original* due date of the return on the amount on line 29. The maximum penalty is 24%.

LINE 32 — ESTIMATED TAX PENALTY

If the amount on line 29 minus line 18 is at least \$500 and is more than 10% of the tax on line 17, you may be subject to an estimated tax penalty. To determine if you have a penalty, complete Schedule K-210, found in this booklet. If you have a penalty on Schedule K-210, enter the amount on line 32. If the amount on line 29 minus the amount on line 17 is \$500 or more, you may not be subject to an estimated tax penalty if you meet one of the two exceptions: 1) if your withholdings and/or estimated payments (lines 20 & 21) equal or exceed 100% of the prior year's tax liability (line 17 from last year's return) or, 2) if your withholdings and/or estimated payments (lines 20 & 21) equal or exceed 90% of this year's income tax liability (line 17).

If at least two-thirds of your income is from farming or fishing, mark an "X" in the box on line 32.

LINE 33 — AMOUNT YOU OWE

Add lines 29 through 32 and enter the total on line 33. This amount should be paid in full with the return. A balance due of less than \$5 need not be paid. You may make a donation to any or all of the contribution programs on lines 36 through 39, even if you have a balance due. Just add these amounts to your tax and write one check for the total of tax due and your contribution(s).

The Department of Revenue offers the following three options to pay your Kansas tax:

Credit Card. To pay by credit card, contact one of the service providers listed here. A convenience fee will be charged by the service provider based on the amount of tax you are paying.

Official Payments Corporation
1-800-2PAYTAX (1-800-272-9829)
www.officialpayments.com

Link2Gov
1-888-KS-Taxes (1-888-578-2937)
www.kstaxpayment.com

Direct Payment. If you choose WebFile or IRS e-File to file your Kansas return, **Direct Payment** is an option during the filing process to pay your balance due. If you file a paper return you also have the option to make an *electronic payment* by calling the Department of Revenue toll-free at 1-866-450-6490 **or** visit <https://www.kdor.org/personaltax/mainpage.aspx> for an on-line transaction.

When you select Direct Payment, and provide your bank routing number and bank account number, you are authorizing the department to initiate an electronic payment from your account for payment of your balance due. Direct Payment allows you to "file now, pay later." For example, if you file your return on February 20th and elect Direct Payment, you may choose to have your bank account debited on the April 15th due date.

With Direct Payment, you are also assured that your payment is made on time. Direct payment authorizations on returns filed by midnight of April 15th are considered to be timely paid.

Direct Payment saves time – no check to write and no K-40V voucher to complete and mail. If you need to revoke your election of this payment authorization, you must notify the department at 1-800-525-3901 by 4:00 PM; two business days before the scheduled payment date.

You should check with your financial institution to be sure they allow an electronic debit (withdrawal) from your account.

Check or Money Order. If you choose this payment option, you must complete and submit Form K-40V with your payment. Write your Social Security number on your check or money order and make it payable to “Kansas Income Tax.” If you are making a payment for someone else (i.e., daughter, son, parent), write that person’s name and Social Security number on the check. DO NOT send cash. DO NOT staple or tape your payment to the Form K-40V or Form K-40. Instead, enclose it loosely with your return.

Returned checks: A fee of \$30.00, plus costs for a registered letter (currently \$9.31), is charged on all returned checks.

REFUND

LINE 34 — OVERPAYMENT

If your tax balance, line 19, is less than your total credits, line 28, enter the difference on line 34. **NOTE:** An overpayment less than \$5 will not be refunded, but may be carried forward as a credit to next year’s return (line 35), or contributed to any of the contribution programs on lines 36 through 39.

LINE 35 — CREDIT FORWARD

Enter the portion of line 34 you wish to have applied to your 2008 Kansas estimated income tax (must be \$1 or more).

If the amount on line 34 is less than \$5, you may carry it forward to 2008 as an additional credit even if you do not make estimated tax payments.

You may make voluntary contributions to any of the tax deductible programs/funds listed on LINES 36 through 39 of Form K-40 – see the following instructions. Your contribution(s) **will reduce** your **refund** or **increase the amount you owe**.

Examination Adjustment: *If your overpayment is decreased due to an adjustment to your return, any contributions you have made will be reduced by that amount. If your overpayment is increased, your contribution amount(s) will remain the same.*

LINE 36 — CHICKADEE CHECKOFF PROGRAM

Contributions to the Kansas Nongame Wildlife Improvement program will help improve the quality of wildlife in Kansas. Last year’s contributions were used to:

- Initiate a statewide mammals atlas to update critical information for sensitive mammal populations for sensitive species evaluations and recovery.
- Support the Kansas Nature-based Tourism Alliance and NaturalKansas web site.
- Monitor bald eagle populations and nesting success.
- Perform recovery plan strategies for state endangered species.

- Continue research on declining aquatic animals in southeast Kansas and restore some species.
- Sponsor the Kansas winter birdfeeder survey.
- Coordinate the Kansas Bluebird Program.
- Help support the (OWLS) Outdoor Wildlife Learning Sites for schools.

Enter on line 36 the amount you wish to contribute to this program (must be \$1 or more).

LINE 37 — SENIOR CITIZENS MEALS ON WHEELS CONTRIBUTION PROGRAM

All contributions are used solely for the purpose of providing funds for the Senior Citizens Meals On Wheels Contribution Program. The meals are prepared by a dietary staff and are delivered by volunteers. The underlying objective of the program is to prevent deterioration of the elderly and handicapped individuals in the community, thus making it possible for them to live independently in their own homes for as long as possible. The friendly visit with the volunteers is socially helpful and the daily visit is important in case of an emergency situation.

Enter on line 37 the amount you wish to contribute to this program (must be \$1 or more).

LINE 38 — KANSAS BREAST CANCER RESEARCH FUND

The Kansas Breast Cancer Research Fund is devoted to ending suffering and death from breast cancer in Kansas. Every dollar collected stays in Kansas to bring the latest in breast cancer prevention, early detection, diagnosis, and treatment to Kansans. This research will be conducted at the University of Kansas Cancer Center. With the hope of finding a cure for breast cancer, the purpose of this fund is to help save lives and significantly enhance the health of Kansans living with breast cancer.

Enter on line 38 the amount you wish to contribute to this fund (must be \$1 or more).

LINE 39 — MILITARY EMERGENCY RELIEF FUND

Contributions will be used to help military families with the cost of food, housing, utilities and medical services incurred while a member of the family is on active military duty.

Enter on line 39 the amount you wish to contribute to this fund (must be \$1 or more).

LINE 40 — REFUND

Add lines 35 through 39 and subtract the result from line 34. This is your refund amount. If line 40 is less than \$5, it will not be refunded, however, you may carry it forward to be applied to your 2008 Kansas income tax liability (enter the amount on line 35). If you do carry it forward, please remember to claim it as an estimate payment on line 21 of the 2008 return. You also have an option to apply it to one of the contribution programs/funds (lines 36 through 39 of Form K-40).

If you file a **paper return**, you will need to **allow 8 weeks** from the date you mail it to receive your refund. Errors, inaccurate forms, photocopied forms, or incomplete information will delay processing even longer. **For a fast refund – 7 days or less – file your return electronically!** See page 3 for details.

Refund Set-off Program: Kansas law provides that if you owe any delinquent debt (Kansas tax, child support, student loans, etc.) to a Kansas state agency, municipality, municipal court or district court, your income tax refund will be applied (set-off) to that delinquent debt. **The set-off process will cause a 10 to 12 week delay to any remaining refund.**

SIGNATURE

Your income tax return **must be signed**. You will not receive your refund if your return is not signed. Both taxpayers must sign a joint return even if only one had income. If the return is prepared by someone other than you, the preparer should also sign in the space provided.

If you are filing a return on behalf of a decedent, the return should be signed by the executor/executrix. Compensating Use Tax Liability

What is Compensating Use Tax?

Since 1937 Kansas has imposed a compensating use tax on goods and merchandise purchased from outside Kansas and used, stored or consumed in Kansas. Its purpose is to protect Kansas retailers from unfair competition from out-of-state retailers who sell goods tax-free by applying a tax on these items equal to the Kansas sales tax rate. It also helps to assure fairness to Kansans who purchase the same items in Kansas and pay Kansas sales tax on them.

Individuals and businesses buying items from retailers in other states may be subject to Kansas use tax on those purchases. The use tax applies to the total cost of the merchandise, including postage, shipping, handling or transportation charges. The use tax rate is the same as the combined state and local sales tax rate in effect where the buyer takes delivery in Kansas. For individuals, this is usually our home. For businesses, it will be the office, shop, job site, etc. where the item(s) are used.

Do You Owe Use Tax?

Individual Kansans that buy goods in other states or through catalogs, internet, mail-order companies, or from TV, magazine and newspaper ads must pay Kansas use tax on these purchases if the seller does not charge a Kansas tax equal to the Kansas Retailers' Sales Tax rate in effect where the item(s) will be used, stored or consumed.

A Topeka, KS resident orders a computer from a company in New York over its web site. Total cost for the computer is \$2,000 plus \$10 shipping. The Topeka resident will owe 7.45% (current Topeka sales tax rate) Kansas use tax on the total cost of \$2,010. $\$2,010 \times .0745 = \149.75 .

You call a toll-free number and place an order for gifts and food items. The items are shipped to your Kansas address and no tax is charged on the order. You will owe Kansas use tax on the total cost of these items since you would have had to pay Kansas sales tax on them had they been purchased from a Kansas retailer.

Kansas businesses also owe use tax on items on which they are the final consumers – equipment, fixtures, office supplies and other non-inventory items purchased for their business. When these items are purchased from a Kansas retailer, Kansas sales tax is paid to the retailer. When they are purchased from an out-of-state retailer without Kansas tax, the Kansas use tax must be paid directly to the Kansas Department of Revenue, at a

rate equal to the combined state and local sales tax rate where the business takes delivery in Kansas.

A Garden City, KS clothing store orders garment racks from a vendor in St. Louis for \$500 plus \$25 shipping charge. There is no sales tax on the invoice. The Garden City store will owe Kansas Consumers' Compensating Use Tax equal to the Garden City sales tax rate (currently 7.45%) on the total cost of these fixtures. $\$525 \times .0745 = \39.11 .

How to Pay Use Tax

Individuals - Complete line 18, Form K-40

To pay the Kansas use tax on your untaxed out-of-state purchases by mail, internet, etc., during calendar year 2007, please consult the **Line-By-Line Instructions** on page 18. You may either use the chart, or compute the tax due by applying the state and local tax rate in effect for your address to the total purchases subject to the tax.

DON'T KNOW YOUR SALES TAX RATE? Go on-line to www.ksrevenue.org and select the "Kansas Sales and Use Tax Locator" under the "Your Business" section.

If you have any questions about use tax or about your responsibilities for reporting and paying this tax as an individual Kansas consumer, please contact our office at (785) 368-8222.

Businesses - Obtain a Use Tax Reporting Number

Kansas businesses buying equipment, fixtures, tools, supplies and other taxable items for their business must register with the department and file separate use tax returns. There is no use tax reporting on Kansas income tax forms K-41 (Fiduciary Income Tax), K-120 (Corporation Income Tax), K-120S (Partnership or S Corporation Income Tax) or K-130 (Privilege Tax).

To obtain a use tax reporting number, simply complete the Business Tax Application, Form CR-16, available from our web site, office, or forms request line. The department will assign a reporting number and will periodically (quarterly returns for most taxpayers) send you the use tax returns (Form CT-10U) on which to report your taxable purchases and pay the use tax due. If your estimated use tax liability for a calendar year is less than \$80, you will only file one use tax return for the entire calendar year. Paperless filing and payment options are also available through our Online Business Center at www.webtax.org.

More information about use tax for businesses including a sample completed use tax return is in our Publication KS-1510, Kansas Sales and Compensating Use Tax, available from our web site or office.

ATTENTION: If correct, peel off and affix to the return you file. If label is incorrect, do not use.
