### PART II – FIGURING THE PENALTY

10. Amount of underpayment. Enter the sum of line 8 less line 7; line 9a less line 7; or, line 9b less line 7, whichever is applicable
11. Due date of each installment .................................................................
12. Number of days from the due date of the installment to the due date of the next installment or 12/31/12, whichever is earlier. If paid late, see instructions .
13. Enter the number of days from 1/15/13 to the date paid or 4/15/13, whichever is earlier. If paid late, see instructions ..........................................
14. Line 12 X 5% X amount on line 10 ............................................................
15. Line 13 X 4% X amount on line 10 ............................................................
16. Penalty (Add lines 14 and 15).................................................................
17. Total penalty. Add amounts on line 16 and enter the total here and on line 31, Estimated Tax Penalty, on the back of Form K-40 .................................................................
WHO MAY USE THIS SCHEDULE

If you are an individual taxpayer (including farmer or fisher), use this schedule to determine if your income tax was fully paid throughout the year by withholding and/or estimated tax payments. If your 2012 tax due (line 17 of the K-40 – DO NOT include compensating tax from line 18 of the K-40), less withholding and tax credits (excluding estimated tax payments made) is $500 or more, you may be subject to an underpayment of estimated tax penalty and must complete this form.

Taxpayers (other than farmers or fishers) are not required to make a payment for the January 15th quarter if a Form K-40 was filed and the tax was paid in full on or before January 31, 2013.

Farmers & Fishers: If at least two-thirds of your annual gross income is from farming or fishing and you filed Form K-40 and paid the tax on or before March 1, 2013, you may be exempt from any penalty for underpayment of estimated tax. If so, write on line 1 “Exempt–farmer/fisher”, and do not complete the rest of this schedule.

However, if you meet this gross income test, but did not file a return and pay the tax on or before March 1, 2013, you must use this schedule to determine if you owe a penalty for underpayment of estimated tax.

COMPLETING THIS SCHEDULE

Enter your name and your Social Security number in the space provided at the top of this schedule.

LINES 1 through 4: Complete these lines based on information on your income tax return for this tax year and the prior tax year.

If you did not file an income tax return prior to March 1, 2013, you may be exempt from any penalty for underpayment of estimated tax. If so, write on line 1 “Exempt–farmer/fisher”, and do not complete the rest of this schedule.

PART I – EXCEPTIONS TO THE PENALTY

You will NOT be subject to a penalty if your 2012 tax payments (line 7) equal or exceed the amounts for one of the exceptions (lines 8 or 9a or 9b) for the same payment period.

LINES 5 and 6: Enter the cumulative amount of timely paid estimated tax payment made in each quarter. For example, Column 3 will be the total of your withholding and estimated tax payments made from January 1 through September 17, 2012.

LINES 7: For each column, add lines 5 and 6 and enter the result on line 7.

LINES 8: Enter the amount of underpayment of tax, which is the lesser of one of the following computations:

- Line 9a less line 7;
- Line 9b less line 7;
- Line 9a less line 7;
- Line 9b less line 7.

Add the amounts on line 16 together and enter the result on line 17.

PART II – FIGURING THE PENALTY

LINE 10: Enter on line 10 the amount of underpayment of tax, which is the lesser of one of the following computations:

- Line 8 less line 7;
- Line 9a less line 7;
- Line 9b less line 7.

LINE 11: This line contains the due date of each installment for a calendar year taxpayer.

LINE 12: The number of days on line 12 are precomputed for a calendar year taxpayer that made timely payments. If you did not make timely payments, you should disregard the precomputed number of days on line 12 and compute the number of days on each quarter to the date paid.

EXAMPLE: If you paid the 6/15/12 installment on 6/28/12 the number of days to enter on line 12, column 2 will be computed from 6/15/12 to 6/28/12, which equals 13 days. If you then paid the next quarter timely at 9/17/12, the number of days will be from 9/17/12 to 1/15/13, which equals the 120 days.

LINE 13: The 5% penalty rate begins in column 3 for a calendar year taxpayer. Therefore, no entry is required in columns 1 and 2. The 15 days in the 3rd column are from 1/1/13 to 1/15/13. If you did not make timely payments, you should disregard the precomputed number of days on line 13 and compute the number of days on each quarter to the date paid.

- If you file your return prior to 1/15/13, enter in the third column the number of days from 1/1/12 to the date filed and disregard the precomputed number of days (15) entered on line 13.
- The fourth column must be completed by you. Enter the number of days from 1/1/13 to the date the return was filed and paid.

LINE 14 and 15: Penalty is computed to 12/31/12 at 5%, and at 4% from 1/1/13 to the date the tax was paid, or 4/15/13, whichever is earlier.

LINE 16: For each column, add lines 14 and 15 and enter the result on line 16.

LINE 17: Add the amounts on line 16 together and enter the result on line 17. Also enter this amount on Form K-40, line 31, Estimated Tax Penalty.
