**TAXPAYER INFORMATION**

Complete all information at the top of the K-40 by printing neatly. If your name or address changed, or if you are filing with or for a deceased taxpayer, indicate so by marking the appropriate boxes.

**AMENDED RETURN**

If you are filing an amended return for 2012, mark the box that states the reason. NOTE: You cannot amend to change your filing status from “joint” to “separate” after the due date of the return.

**FILING STATUS**

Your Kansas filing status must be the same as your federal filing status. If your federal filing status is Qualifying Widow(er) with Dependent Child, check the Head of Household box. If you and your spouse file a joint federal return, you must file a joint Kansas return, even if one of you is a nonresident. If you each file separate federal returns, you must file separate Kansas returns.

**RESIDENCY STATUS**

Check the appropriate box for your residency status (see page 3 for definitions). If you mark the Part-Year Resident box, enter the dates that you lived in Kansas and complete Schedule S, Part B. Nonresidents must also complete Part B of Schedule S.

**EXEMPTIONS AND DEPENDENTS**

Enter the number of exemptions claimed on your federal return. If no federal return was filed, enter the total exemptions for you, your spouse (if applicable), and each person you claim as a dependent.

If your filing status is Head of Household, you are allowed an additional Kansas exemption; enter a “1” in the box provided. Enter the total number of exemptions in the Total Kansas Exemptions box. Important—if you are claimed as a dependent by another taxpayer, enter “0” in the Total Kansas Exemptions box.

In the spaces provided, enter the name, date of birth, relationship, and Social Security number of each person you claimed as a dependent (do not include you or your spouse). If additional space is needed, enclose a separate schedule.

**FOOD SALES TAX QUALIFICATION**

To qualify for a refund of sales tax paid on food purchases you must meet the qualifications for residency, taxpayer status, and qualifying income.

If you were a resident of Kansas for all of 2012, then you meet the residency qualification. If you resided in Kansas less than 12 months of 2012, you do NOT qualify for the food sales tax refund.

**LINES A through C:** If you meet the residency qualification, complete lines A through C. If you answer YES to at least one question then you meet the taxpayer status qualification. If you answer NO to all three questions, then you do NOT qualify for the refund.

**LINE D:** If you met the residency and taxpayer status qualifications, complete the worksheet on page 22. Enter, on line D, the Qualifying Income amount from line 14 of your worksheet. To receive a refund, there must be a qualifying entry on this line, so if your income on line 14 is “0”, you must enter “0” on line D. If the amount is a negative number, shade the minus [–] sign in the box to the left of the number.

**LINE E:** If your qualifying income is less than $36,701, then use the following table to compute the refund amount to enter on line E:

<table>
<thead>
<tr>
<th>Income Range</th>
<th>Refund Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>$18,350 or less</td>
<td>$3,400</td>
</tr>
<tr>
<td>$18,351 – $36,700</td>
<td>$6,600</td>
</tr>
<tr>
<td>$36,701 or greater</td>
<td>$9,800</td>
</tr>
</tbody>
</table>

If you are filing for a Food Sales Tax refund only, do not need to complete lines 1 through 40 on the back of Form K-40. You can simply sign the return on the back and mail it to KDOR. Important—KDOR accepts only one original 2012 K-40 return for you. DO NOT file two returns – one requesting a food sales tax refund and another to file your income tax return with your W-2s. Food Sales Tax and Individual Income Tax must be filed together on the same Form K-40.

**INCOME**

**LINES 1 through 3:** Complete these line items as indicated on Form K-40. If any are negative numbers, shade the minus [–] sign in the box to the left of the negative number.

NOTE: Many taxpayers will not have modifications. If you do not, skip line 2 and enter amount from line 1 on line 3. If, however, you have income that is taxable at the federal level but not taxable to Kansas, or income that is exempt from federal but taxable to Kansas, you must complete Part A of Schedule S.

**DEDUCTIONS**

**LINE 4 – Standard deduction or itemized deductions:** If you did not itemize your deductions on your federal return, you must take the standard deduction on your Kansas return. If you itemized on your federal return, you may either itemize or take the standard deduction on your Kansas return, whichever is to your advantage. If you are married and file separate returns, you and your spouse must use the same method of claiming deductions – if one of you itemize, the other must also itemize.

**Kansas Standard Deduction**

The following amounts will be the standard deduction for most people to enter on line 4:

- Single or Married Filing Separate ........................................ $3,000
- Married Filing Joint ......................................................... $6,000
- Head of Household ......................................................... $4,500

If you or your spouse is over 65 and/or blind, complete WORKSHEET I, Standard Deduction for People 65 or Older and/or Blind, to determine your standard deduction.

If you are being claimed as a dependent on another taxpayer’s return and line 1 of Form K-40 includes income other than earned income, complete WORKSHEET II, Standard Deduction for People Claimed as a Dependent, to determine your standard deduction.

**KANSAS ITEMIZED DEDUCTIONS**

You may itemize your deductions on your Kansas return ONLY if you itemized your deductions on your federal return.

If, on your federal return, you elect to deduct state and local sales and use taxes instead of state and local income taxes then your Kansas itemized deductions are the same as your federal itemized deductions. If you deduct income taxes on your federal return, use the worksheet below to calculate your Kansas itemized deductions.

**ITEMIZED DEDUCTION WORKSHEET**

1) Total itemized deductions on line 29* of federal Schedule A ............................................... $ 
2) State and local income taxes on line 5* of the federal Schedule A ............................................... $

* Federal line number references are subject to change

**LINE 5 – Exemption allowance:** Multiply the total number of exemptions claimed on Form K-40 by $2,250. Important—If you are claimed as a dependent by another taxpayer, enter “0” on line 5.

**TAX COMPUTATION**

**LINE 8 – Tax:** If line 7 is **$50,000 or less**, use the Tax Tables beginning on page 18 to find the amount of your tax. If line 7 is **more than $50,000**, you must use the Tax Computation Schedules on page 22 to compute your tax.

Residents – If you are filing as a resident, skip lines 9 and 10 and go to line 11. Nonresidents – If you are filing as a nonresident, you must complete Part B of Schedule S. See page 17.

**LINE 9 – Nonresident percentage:** Enter the percentage from Schedule S, Part B, line B23. If 100%, enter 100.0000.

**LINE 10 – Nonresident tax:** Multiply line 8 by the percentage on line 9 and enter the result on line 10.

Important—If claiming a foreign tax credit, and you completed federal Form 1116, enclose a copy with your Kansas return.

**TAXES PAID TO OTHER STATES BY KANSAS RESIDENTS**

If you are a Kansas resident you may claim this credit if: 1) your total income on line 1 includes income earned in the other state(s); and 2) you were required to pay income tax to the other state(s) on that income. Important—Your credit is NOT the amount of tax withheld in the other state(s); it is determined from the “Worksheet for Residents” on the next page. Complete the tax return(s) for the other state(s) before using the worksheet.

If you paid taxes to more than one state, complete a worksheet for each state, combine the results, and enter the total on line 13 of Form K-40.

Taxes Paid to Other States by Part-year Residents that File as Nonresidents

If filing as a nonresident of Kansas you may claim this tax credit if:

- you were a Kansas resident for part of the year,
- your total income reported to Kansas includes income earned in the other state while you were a Kansas resident, and
- you were required to pay taxes on that other state’s income.

Complete the following worksheet to determine your credit. If your credit is based on taxes paid to more than one state, complete a worksheet for each state, combine the results, and enter the total on line 13, Form K-40.

USE TAX

LINE 18 – Use tax due: If you made purchases of items from retailers located outside of Kansas on which no sales tax was paid (including freight, shipping or handling fees), complete line 18. If you are unsure as to the amount of tax due, use the following chart to estimate the compensating use tax for calendar year 2012. Estimated amounts from this chart do not supersede actual amount of use tax owed. See page 2 for more information about the Kansas Use Tax.

If line 3, K-40 is: Use Tax is: If line 3, K-40 is: Use Tax is:
$0-$15,000 $ 5 $45,001-$60,000 $35

$30,001-$45,000 $25 $75,001 and over line 3 x .081%

LINE 19 – Total tax balance: Add lines 17 and 18 and enter the result.

WITHHOLDING and PAYMENTS

LINE 20 – Kansas income tax withheld: Add the Kansas withholding amounts shown on your W-2 forms (also 1099s and K-19 forms, if applicable) and enter the total. KDOR does not require that you enclose copies of W-2s or 1099s with Form K-40, but reserves the right to request them at a later date. You must, however, enclose any K-19 forms with your Form K-40.
Once the IRS sends you the completed earned income credit figures, without the credit, and be sure to pay any amount you owe. Multiply amount of credit allowed on your federal return by 18%. You may choose to have the IRS compute your federal earned income credit. If you do not receive the information from the IRS before the deadline for filing your Kansas return you should complete Form K-40 without the credit, and be sure to pay any amount you owe. Once the IRS sends you the completed earned income credit figures, you may then file an amended Kansas return to claim the credit. See Amending Your Return.

LINE 24 – Refundable portion of tax credits: Enter the total refundable portion of these credits:

LINE 25 – Payments remitted with original return: Use this line ONLY if you are filing an amended K-40 for the 2012 tax year. Enter the amount of money you remitted to KDOR with your original 2012 return. Also include the amount of a pending debit transaction you may have scheduled with your original return.

LINE 26 – Overpayment from original return: Use this line ONLY if you are filing an amended K-40 for the 2012 tax year. Enter the amount of overpayment shown on your original return. Since you were refunded this amount or it was credited forward, this amount is a subtraction entry.

LINE 27 – Total refundable credits: Add lines 20 through 25 and, if applicable, your FOOD SALES TAX REFUND amount from line E; then subtract line 26. Enter result on line 27.

**BALANCE DUE**

LINE 28 – Underpayment: If your tax balance on line 19 is greater than your total credits on line 27, enter the difference on line 28. If the amount on line 28 is not paid by the due date, penalty and interest will be added (see rules outlined in lines 29 and 30).

**Extension of Time to File Your Return.** Interest is due on any delinquent tax balance, even if you have been granted an extension of time to file the return. If 90% of your tax liability is paid on or before the original due date of your return, an automatic extension is applied and no penalty is assessed.

LINE 29 – Interest: Compute interest at .333% for each month (or fraction thereof) from the original due date of the return on the amount on line 28.

LINE 30 – Penalty: Compute penalty at 1% per month (or fraction thereof) from the original due date of the return on the amount on line 28. The maximum penalty is 24%.

LINE 31 – Estimated tax penalty: To determine if you have a penalty, subtract line 17 from the total of your withholding and estimated payments (line 20 and 21), if this amount is $500 or more you will need to complete Schedule K-210. If you have a penalty on Schedule K-210, enter the amount on line 31. There are two exceptions: 1) if withholdings and/or estimated payments (lines 20 and 21) equal or exceed 100% of the prior year’s tax liability (line 17 from last year’s return) or, 2) if your withholdings and/or estimated payments (lines 20 and 21) equal or exceed 90% of this year’s income tax liability (line 17). Important—if at least two-thirds of your income is from farming or fishing, mark an “X” in the box on line 31.

LINE 32 – Amount you owe: Add lines 28 through 31 and enter the total on line 32. This amount should be paid in full with the return. A balance due of less than $5 need not be paid. You may make a donation to any or all of the contribution programs on lines 35 through 39, even if you have a balance due. Just add these amounts to your tax and write one check for the total of tax due and your contribution(s).

KDOR offers three options to pay your Kansas income tax—credit card, direct payment, or check/money order.

**CREDIT CARD**

Payment by credit card is available online or by phone through third-party vendors. Visit our Electronic Services web site at webtax.org for a current list of vendors authorized to accept individual income tax payments for Kansas. Based on the amount of tax you are paying, a convenience fee will be charged.

**DIRECT PAYMENT**

If you choose WebFile or IRS e-File to file your Kansas return, Direct Payment is an option during the filing process to pay your balance due. If you file a paper return you also have the option to make an electronic payment by calling toll-free at 1-866-450-6490 or visit https://www.kdor.org/personaltax/Login.aspx for an online transaction.

When you select Direct Payment, and provide your bank routing number and bank account number, you are authorizing KDOR to initiate an electronic payment from your account for payment of your balance due. Direct Payment allows you to “file now, pay later.” For example, if you file your return on March 20th and elect Direct Payment, you can have your bank account debited on the April 15 due date.

With Direct Payment, you are also assured that your payment is made on time. Direct payment authorizations on returns filed by midnight of April 15 are considered to be timely paid.

Direct Payment saves time; no check to write and no voucher to complete and mail. If you need to revoke your election of this payment authorization, you must notify KDOR at 1-800-525-3901 by 4:00 PM, two business days before the scheduled payment date. Important—You should check with your financial institution to be sure they allow an electronic debit (withdrawal) from your account.

**CHECK or MONEY ORDER**

If you choose this payment option, you must complete and submit Form K-40V with your payment. Write your Social Security number on your check or money order and make it payable to “Kansas Income Tax.” If you are making a payment for someone else (i.e., daughter, son, parent), write that person’s name and Social Security number on the check. DO NOT send cash. DO NOT staple or tape your payment to the K-40V or K-40 – instead, enclose it loosely with your return.

Returned checks: A fee of $30.00, plus costs for a registered letter (currently $10.30), is charged on all returned checks.
OVERPAYMENT

LINE 33 – Overpayment: If your tax balance, line 19, is less than your total credits, line 27, enter the difference on line 33. NOTE: An overpayment less than $5 will not be refunded but may be carried forward as a credit to next year’s return (line 34), or contributed to any of the donation programs on lines 35 through 39.

LINE 34 – Credit forward: Enter the portion of line 33 you wish to have applied to your 2013 Kansas estimated income tax (must be $1 or more). If the amount on line 33 is less than $5, you may carry it forward to 2013 as an additional credit even if you do not make estimated tax payments. You may make voluntary contributions to any of the donation programs listed on lines 35 through 39 – see the following instructions. Your contribution(s) will reduce your refund or increase the amount you owe.

EXAMINATION ADJUSTMENT: If your overpayment is decreased due to an adjustment to your return, any contributions you have made will be reduced by that amount. If your overpayment is increased, your contribution amount(s) will remain the same.

LINE 35 – Chickadee checkoff: Contributions to this Kansas nongame wildlife improvement program will help improve the quality of wildlife in Kansas. Last year’s contributions were used to:
• Assess and maintain information for sensitive species.
• Monitor populations of endangered species.
• Assess impacts of development actions on endangered species.
• Continue research on declining aquatic animals in southeast Kansas and restore declining freshwater clams.
• Continue long-term nongame projects such as the Kansas Winter Birdfeeder Survey, Bluebird Nest Box Program, and Backyard Nongame Wildlife Habitat Improvement Program.
• Support Outdoor Wildlife Learning Sites (OWLS) for schools.

Enter on line 35 the amount you wish to contribute to this program (must be $1 or more).

LINE 36 – Meals On Wheels contribution program for senior citizens: All contributions are used solely for the purpose of providing funds for the senior citizens Meals On Wheels contribution program. The meals are prepared by a dietary staff and delivered by volunteers. The underlying objective of the program is to prevent deterioration of the elderly and handicapped individuals in the community, thus making it possible for them to live independently in their own homes for as long as possible. The friendly visit with the volunteers is socially helpful and daily visits are important in case of an emergency situation. Enter on line 36 the amount you wish to contribute to this program (must be $1 or more).

LINE 37 – Kansas breast cancer research fund: This fund is devoted to ending suffering and death from breast cancer in Kansas. Every dollar collected stays in Kansas to bring the latest in breast cancer prevention, early detection, diagnosis, and treatment to Kansans. The research is conducted at the University of Kansas Cancer Center. With the hope of finding a cure, the purpose of this fund is to help save lives and significantly enhance the health of Kansans living with breast cancer. Enter on line 37 the amount you wish to contribute to this fund (must be $1 or more).

LINE 38 – Military emergency relief fund: Contributions will be used to help military families with the cost of food, housing, utilities and medical services incurred while a member of the family is on active military duty. Enter on line 38 the amount you wish to contribute to this fund (must be $1 or more).

LINE 39 – Kansas Hometown Heroes fund: All contributions are used solely for the purpose of advocating and assisting Kansas Veterans, dependents and survivors ensuring they receive all federal and state benefits they have earned. Enter on line 39 the amount you wish to contribute to this fund (must be $1 or more).

LINE 40 – Refund: Add lines 34 through 39 and subtract the result from line 33. This is your refund amount. If line 40 is less than $5, it will not be refunded, however, you may carry it forward to be applied to your 2013 Kansas income tax liability (enter the amount on line 34). If you do carry it forward, please remember to claim it as an estimate payment on your 2013 return. You also have an option to apply it to one of the donation programs (lines 35 through 39 of Form K-40).

If you file a paper K-40, you need to allow 16 weeks from the date you mail it to receive your refund. Errors, inaccurate forms, photocopied forms, or incomplete information will delay processing even longer. For a fast refund – file electronically! See page 26.

REFUND SET-OFF PROGRAM

Kansas law provides that if you owe any delinquent debt (Kansas tax, child support, student loans, etc.) to a Kansas state agency, municipality, municipal court or district court, your income tax refund will be applied (set-off) to that delinquent debt. The set-off process will cause a 10 to 12 week delay to any remaining refund.

Unless the debt is a Kansas tax debt, KDOR will not have access to who the debt is owed to or how much is owed. You must contact the debtor setoff department at 785-296-4628 for that information.

SIGNATURE(S)

Signature: Your income tax return must be signed. You will not receive your refund if your return is not signed. Both taxpayers must sign a joint return even if only one had income. If the return is prepared by someone other than you, the preparer should also sign in the space provided.

If you are filing a return on behalf of a decedent, the return should be signed by the executor/executrix. If it is a joint return filed by the surviving spouse, indicate on the spouse’s signature line “Deceased” and the date of death. If a refund is due, enclose the required documents (see instructions for Deceased Taxpayers on page 5).

Preparer authorization box: In some cases it may be necessary for KDOR to contact you about your tax return. By marking the box above the signature line, you are authorizing the director or director’s designee to discuss your tax return and any enclosures with your tax preparer.

Mailing your return: Before mailing your income tax return, be sure you have:
✓ completed all required information on the return,
✓ written your numbers legibly in the spaces provided,
✓ enclosed, but not attached, all K-19 forms,
✓ enclosed Schedule S if you have a modification on line 2 of Form K-40 or if you filed as a nonresident or part-year resident,
✓ enclosed Form K-40V if you are making a tax payment; and,
✓ signed your return.

NOTE: If your K-40 is filed with a Kansas address, do not include a copy of your federal return; however, keep a copy of it in case KDOR requests it at a later date.
